## Raw Diestel Turkeys

**All Natural ..... \$4.79/per pound**

*These all-natural, slow-grown birds are given the time and space they need to develop naturally to produce the tender, juicy, bold flavor you'd expect of a Diestel bird.*

**Certified Organic ..... \$6.49/per pound**

*Diestel's Certified Organic Turkeys are raised the way nature intended—slowly—with an all-vegetarian feed blend, giving its full, hearty flavor time to develop. It's the way turkey ought to taste.*

**Certified Organic Heirloom ..... \$7.49/per pound**

*Diestel's Organic Heirloom Turkeys are the breed that once was. These turkeys are rare breeds that've been around for hundreds of years. Different from most turkeys, they produce exquisite meat with exceptional, rich flavor that's tender and juicy.*

**Pastured Regeneratively Raised\* ... \$7.99/per pound**

*These birds are Regenified™ certified, and part of a holistic regenerative program, grazing on rotational plots of land that are treated to regular applications of our nutrient-dense compost and allowed rest periods of 2-8 months.*
